Elementary Parent Sheet

All month I will be learning about God's incredible power.

My Memory Verse:

Are there any gods like you, Lord? No! There are no gods like you.  
You are wonderfully holy. You are amazingly powerful.

You do great miracles.

~ God's Power Stops a River

Joshua 1:1-9, 3:1-5:1

Weekly Scripture:

*The Lord your God caused the water to stop flowing. The river was dry until the people finished crossing it. The Lord did the same thing for us at the Jordan that he did for the people at the Red Sea. Remember that he stopped the water at the Red Sea so we could cross. The Lord did this so all people would know he has great power. Then they will always respect the Lord your God.*

Joshua 4:23-24 (ICB)

- Share something powerful with your child that God has done for you. Consider beginning a family tradition to help you remember these powerful things. You may wish to do this by making a scrap book, making a video, writing a song or poem or molding something out of clay.

~ God's Power Makes the Sun Stand Still

Joshua 10:1-15

Weekly Scripture:

*It wasn't their swords that took the land. It wasn't their power that gave them victory. But it was your great power and strength. You were with them because you loved them.*

Psalm 44:3 (ICB)

- Enjoy some time in the sun together. Consider how confident Joshua must have been in God's power to ask Him to make the sun stand still. How can we be just as sure of God's great power?

Everyone likes to be strong and powerful but did you know that when you are weak it is a chance for God's power to be **STRONG** in you? The next time you are feeling weak remember that with God you are more powerful than ever! Check out II Corinthians 12:9 & 10!
