~ Trusting God & the Tree

Jeremiah 17:5-8

**Weekly Scriptures:**

*But the person who trusts in the Lord will be blessed. The Lord will show him that he can be trusted. He will be strong, like a tree planted near water. That tree has large roots that find the water.* Jeremiah 17:5-8 (ICB)

*Keep your roots deep in him and have your lives built on him. Be strong in faith, just as you were taught. And always be thankful.* Colossians 2:7 (ICB)

- Hunt for leaves together. Make a place mat out of them by placing them between sheets of clear contact paper. Talk about ways you can stay close to the "water source" like the tree Jeremiah described.

Who do you trust??? Someone you know well and someone who has proven to be dependable. That's why David trusted God! He knew God. He knew what God was like - wise, loving and good. Through everything David faced God proved to be dependable. That's why we need to lean on Him during tough times - not on people. They will fail us, but God is always faithful, always trusting. So next time things aren't going your way... remember David and trust God!
